Dear Bill:

I was very much pleased to meet you and get a nice report from Wis. Conditions here for the USA are poor couple weeks and we can only expect recovery of conditions in Jan. at the earliest. I have come back on air again this Sept. after a very long QRT for as long as 30 years ha! I do hope we can meet again soon. Wish you a Merry Xmas. 73 73. Mas, 9HIWDN
